

PROOF OF RESIDENCE

When a vehicle owner does not homestead property nor have a power or water bill currently in his or her name, a notarized declaration & either a copy of the rental agreement or proof of (their) residence is required from the vehicle owner's **landlord or person with whom he or she lives with** to verify physical residence for tag registration. Proof is required upon first registration of a vehicle and when requesting a change of address. This information is protected by the privacy act and will therefore not be made available to the public.
